Respected Sir

I have been serving under you for the last 14 years and will only refer you as to the nature of the work, I have turned out, to the results of the several examinations I have now under me about 130 students

In the arrangement now made in filling up the vacant Kanarese Maunshi's post a balance of Rs 12 remains, out of which I request a sufficient amount to be given me to bring me on the same footing with the new Kanarese Pandit

It may not be unknown to
Revd

to you that Sanskrit is a more difficult language than Kanarese

I therefore request that you will take my case into your kind consideration and place me at least on a par with the Kanarese Pandit, for which act of kindness I shall as in duty bound ever pray

I beg to remain
Respected Sir

Servant

To Secretary

Sir

With reference to your letter no 2379/2948 dated 16 August 1895 para 3 requesting me to ascertain from the Director of Public Instruction Madras what the pay of the Vernacular Pandits in the Madras Government Colleges are, I have the honor to report that Dr Duncan replies C no 10222 dated 17 Sept- that there are ordinarily three grades of Vernacular Pandits of the several Colleges of the Madras Education Department.

agree Colonel Cotton recommends
that the Sanskrit
Pandits & Vernacular Sastris

is the same as the Madras

question may be reserved
for the present
Vernacular Sastris may
start on Rs 75-2 in the
1st Grade-

I trust the Government of Mysore may see its way to putting the Pandits of its First and Second Grade Colleges and High School on a better footing than they are at present and that in so doing respect may be had to the size of the classes and number of pupils taught by each
